

AMENDMENTS TO THE ABSTRACT

Please replace the Abstract with the following amended Abstract.

ABSTRACT OF THE DISCLOSURE**Abstract**

The invention is involved in ~~the~~ Epimeredinoside A with its structure showed below, and the preparative methods of the pharmaceuticals made ~~extracted~~ from *Epimeredi indica* root, ~~extract containing epimeredinoside A. It includes all kinds of oral~~ pharmaceuticals made up with ~~the~~ *Epimeredi indica* root extract and ~~at least one~~ pharmaceutical adjuvant, ~~epimeredinoside and preparatory method for the oral~~ pharmaceutics. The root extract is the *extracta sicca* prepared by water extraction and concentration ~~extracted and concentrated of~~ *Epimeredi indica* root, ~~and contains~~ containing 0.10% to 1.50% of epimeredinoside A. The inventive ~~invention~~, pharmaceuticals of *Epimeredi indica* root extract ~~do not~~ ~~DO NOT~~ contain any hormone: ~~NO~~ and progesterone is ~~not~~ needed to be intaken to prevent a the side effect after using the drug. The pharmaceuticals has doubtless effect in treating clinic, ~~and is~~ ~~stability, controllable and safety, especially compatible for the female menopause.~~

**REMARKS**
